Pornography is destroying lives, families, marriages and infecting the church. Is this something we can “view

occasionally” or “struggle with” and not be affected? How does God view this sin? The Consistory of Crete PRC will be presenting a speech titled “The Plague of Pornography” by Rev. Joshua Engelsma on July 15 at 7 PM at Crete PRC. We encourage men, women and young adults to join us for this timely speech. The speech will also be live- streamed on the Crete PRC YouTube channel. “And have no fellowship with the unfruitful works of darkness, but rather reprove them.” Ephesians 5:11.

QUOTES FOR CONTEMPLATION

Finally: let us give thanks to God on the 250th anniversary of the USA. There is a danger, as we see the many things that are wrong with this country, of losing sight of the many gifts we enjoy in it for which we should be grateful to God: the earthly freedoms, such as the physical ability to publicly assemble for worship on Sunday without persecution; the physical protection God affords us in this land by the hand of the government; the men and women who have given of themselves and even laid down their lives for our sake who are citizens of this country. How we take these things for granted! So let us pray, asking the Lord to forgive our ingratitude and make us more thankful to Him for all His gifts; praying for those who are in authority over us in this land; praying for the coming of our Father's kingdom in the preaching of the gospel, in this land too, and the gathering of the church unto the day of the Lord.”

-Rev. J. Maatman “America Turns 250” *The Standard Bearer* 7/1/26
